WE ARE PLEASED to provide this new Code of Ordinances for the Village of Belleville, Wisconsin. This codification provides a complete revision and codification of all Ordinances of a general and permanent nature of the Village. All amended Ordinances are brought up to date. The Code also includes certain new ordinances that were prepared to fill gaps not covered by existing Ordinances.

The Code also includes several features that will facilitate its use. The various chapters and articles follow one another in a natural, logical order. The table of contents, with a complete outline of this order, will often provide sufficient reference points for the reader. In addition, the reader may consult the alphabetical index at the end of the volume. At the beginning of each chapter there is a section-by-section analysis of the articles within the chapter.

Nontextual provisions such as severability clauses, repeals and enacting clauses are omitted from the text but are covered by Title 1 of the Code. In most instances, references to "this ordinance" in the text of an ordinance have been changed to "this chapter" or "this article" as deemed appropriate. Various editorial notes, state law references and amendment notes have been included throughout the Code to clarify its provisions.

We gratefully acknowledge the cooperation and assistance rendered by the Village officials in the preparation of this Code.
