Chief's Report  
Calls for service have been increasing since 2009.

Old Business

- 1) Facilities Maintenance and Repairs: None
- 2) Equipment Maintenance, Repairs and Replacement: None
- 3) Shift Schedule Discussion: Filled all shifts for March and April.

New Business

- 1) Internship Program: Several other departments in the County have an Internship Program. We had an inquiry from Ohio. We feel that this internship could benefit the Village and Police Department. Examples: Bike Patrol, Junk Car Ordinance, Citizen Academy (organize, outline, and gather information) this will cost the village minimal except for some pants and some shirts.
- 2) Squad and Radio Discussion: The squad will be ordered from Francios, we are going to order the squad with adjustable foot pedals for the cost of \$761.00, the \$1200.00 warranty will be taken from the repairs and equipment account. Still within the budget. We have \$13,500 in the budget for Radios. We will order a new mobile radio for \$4,000.00 that will fit into the 2010 squad and 1 portable radio for \$2,600.00. The radios will work with the existing equipment and with upcoming equipment. Last round of grants are coming up.
