Chief's Report

- 1) Facilities Maintenance and Repairs: There is a new tile floor in the front office. We had free installation by a carpenter class. We still have a little problem when the air is on. We need a new fan relay board.
- 2) Equipment Maintenance, Repairs and Replacement: The camera for 2010 squad total is \$4,777. With the money from squad sold, we put it towards the camera (\$3,777) and remaining (\$1,000) coming from repairs and equipment. There are issues on the 2008 vibration in the tires. New tires did not fix problem. It might be considered under warranty.

- 4) Part-time Officer Discussion: OK- No problems
- 5) Other Items: We did not receive the cops grant. Alternate side parking starts November 15<sup>th</sup>. Roger will check with Mary to see if we could have it printed on water bills.
