The next meeting will be November 14, 2012.

Plan Commission reviewed the draft for the Intergovernmental Agreement between the Village of Belleville and the Town of Montrose. The new section 3.1 is already covered by existing section 6.2. Therefore, the language in 6.2 will be changed to bring it into alignment with 3.1, and then section 3.1 of draft dated 9/12/12 will be dropped. The rest of the draft is acceptable to the Plan Commission.

The proposed concept map for development was also reviewed and accepted as presented. A better map will eventually have to be drawn up by MSA to include lot locations and street locations.

The draft will be reviewed by the Village Board before moving on to the next step of the process.

Motion to adjourn by Donna Moore, seconded by Larry Enlow. Motion carried. Meeting adjourned at 7:40 pm.

Submitted, Donna Anderson
