

## Fund Raising Report

May 12, 2011

Members Present – Terry, Jim, Rick, Herb

- Prospect Review
  - Herb met with the Executive Committee of the Community Club. They voted to donate \$50,000 over a 10 year period of time.
    - If community picnic goes well they may be able to donate faster and possibly more
  - No one else had any new information on prospects
- Next phase of fundraising
  - We would like to finish Phase I by October 1, 2011 but this could be extended to the end of the year. December 31, 2011 will be the latest Phase I will go.
  - The next phase should begin in January 2012 with finalizing July 31, 2012
  - A committee made up of Herb Blaser, Terry Kringle, Lena Funseth and Barb Funseth.
    - Barb would be used primarily as a checker of all the data
    - Terry and Lena will put the names and addresses into a data base Terry will develop.
    - Need to have all the data bases done by the first of the year 2012.
- Permanent recognition
  - Terry suggested some kind of permanent plaque with the major donors listed. The other donors could be on a separate list mounted some place else such as in the village hall.
  - The members present were not too much in favor of the paver brick idea previously discussed.
  - It was mentioned that someone had seen a curved bench somewhere. The bench could be on the point overlooking the berm/lake/river with the major donors listed on the back.
