HEARING ON CONDITIONAL USE PERMIT

The Village of Belleville Plan Commission will review the Conditional Use Permit of Landmark Services Cooperative, P.O. Box 277, Cottage Grove, Wisconsin, for a possible violation of their Conditional Use Permit for property located at 321 Fifth Avenue. This is the result of a complaint filed by Christen Brothers Service. Jerry Jansen, spokesperson appointed by Village President as mediator, stated that discussions regarding the two parties are progressing toward a resolution to the problem. He stated this is not a fast and easy solution. No one else spoke at this hearing. Terry Kringle would like to wait another month to see if they can come to a solution satisfactory to both parties. **Motion by Larry Enlow, seconded by Howard Ward to continue the Public Hearing on October 19, 2011 at 7:00 PM. Motion carried.**
